****A little reminder for **Chapter Presidents**...Please check the IWH website for chapter responsibilities ahead of the state functions. When your chapter is responsible for something, it is your responsibility to make sure it is covered and let the officers know WHO is covering WHAT. With us being down to only 2 active local chapters, we are all going to have to pitch in and help. If it says one chapter is responsible for decorations, that is to mean they will get them to the event....they may need help to get them ready...the same may be true with food...after all, we are ALL Iowa Winnies Hawks. Remember many hands make light work. THANKS!!!

Spring Meeting Re-cap:

The Spring Campout and Meeting was held in Boone May 16-19. The theme was Spring in the Boone Scenic Valley which was carried out with Railroad themed decorations and model trains. Thanks to the Barnhill's for decorations and Dave Good and Paul Harberts for sharing their model trains. The highlight and entertainment for the weekend was a Friday evening dinner train ride aboard the chartered Boone

Scenic Valley Railroad Dinner Train.

A wonderful experience was had by all! A tour of Kreg Manufacturing was enjoyed by those who went...Kreg manufactures wood working tools, jigs, tables, etc. which many members have used and loved. They are a very customer driven service oriented company. After the tour of Kreg, members enjoyed a FREE tour of Reiman gardens. Saturday afternoon, a tour of the National Guard Armory in Boone was enjoyed. Members dodged raindrops all weekend, as it was very wet and muddy but a great weekend was had by those who braved the rain.

FMCA 100th

At the recent Busy Bee Campout, there was discussion about doing a caravan to the August Rally in Minot, North Dakota...they are formulating a plan, please make your reservations according to the following instructions, and let Barb Pitt and Carol Hustad know of your intentions...

If we want to go in as a Caravan we need 10 units. In order for the early registration discount you have to get your registration in by 6/13. We can park together not as a Caravan but as friends as long as we register for the same type of parking and arrive on the same date. At this point we feel registering for the 30 amp electric is the best option.

On Saturday 8/10, we are planning on meeting at the Diamond Jo Worth casino on I-35 near the Minnesota border. We will leave Sunday morning 8/11 to travel together.

Carol Hustad and Barb Pitt are working on a route to travel and take in some sites on the way.

The registration form is in your FMCA magazine that just came out last week or on line.

If you are interested in joining us, or have questions call Barb Pitt st 319-310-7332

When filling out the registration form it asks if you are going with a group or caravan. Answer yes and the name is Iowa Winnie Hawks. Also dates we will be coming in is 8/14 and leaving on 8/18.

We hope a lot of you can join us....

Fall Campout moved:

The Fall campout has been moved from Titonka to Antique Acres north of Cedar Falls...the dates will be the same and fees will be reduced...please check back soon on the website for an updated registration form.
