

IOWA WINNIE HAWKS

NEWSLETTER

Busy Bee Winnies and We-Wan-To-Go

January 2019

HAPPY NEW YEAR!

This is going to be an abbreviated newsletter, because somehow I managed to leave home without the up to date Winnie Hawks Memory Stick in my possession, so I am operating from one that is several years old. Aside from that, this newsletter does contain some VERY NECESSARY AND IMPORTANT INFORMATION!

WEBSITE BEING UPDATED

I have sent the information to Craig Winn to put the Chapter Responsibilities for the coming year, as well as the registration forms, on the IOWA WINNIE HAWK WEBSITE. Check there soon for the latest and the greatest!

SPRING 2019 CAMPOUT

I want to ask you to respond to Dave Good about your intentions for the Spring Campout. The plan for the weekend includes a dinner ride on the Scenic Valley Railroad Dinner Train. The tickets have to be purchased by January 15th, to reserve for our large group. The price of the ticket is included in the camping fees, and you will have a choice of menu items, which we also need to know by May 1. I encourage you to check out the Scenic Valley Railroad information on their website, which also includes the menus. <https://bsvrr.com> We are able to cancel tickets up to 3 weeks ahead of departure on the train.

2019 WINTER TEXAS GATHERING

IOWA WINNIE HAWKS will meet at Mr Gatti's Pizza, 4100 N 2nd St, McAllen, at 11am, on Thursday, Feb 7th. All Winnebago product owners welcome. For information call Ronald & Jo Hersom, 641-750-2774.

2019 Officers

President: Dave Good
Vice President: Corrie Brazzle
Secretary: Shari Harberts
Treasurer: Virginia Jensen
Immediate Past President: Bob & Carol Hustad
Directors: Paul Harberts, Don Harper, Pat Strong

REGISTRATION FORMS CHANGE

It was discussed and decided at the Fall Campout that we will be including Thursday night camping fee with the registration. The fees will also be higher in an attempt to make registration fees support the activities planned. It is no longer possible to cater a meal for \$10. Fall ones were \$13. Breakfast costs and building rentals have also gone up.

FALL 2018 CAMPOUT

Fall Campout was held in Grundy Center due to the tornado in Marshalltown. The planned activities were still in Marshalltown, including a Friday tour of a garden area which has been installed to contain and recycle surface run-off. Including a green wall which had plants growing on the side of the building. We were able to eat lunch in the building (again, I don't have my notes to tell you the name of the building) consisting of the famous Taylor's Maidrites and shakes or malts. We also toured the Marshall County Historical Society, which had also been damaged in the tornado (plywood still present on some windows). Saturday afternoon entertainment was at the Iowa Veteran's Home after a tour of the facilities. The entertainment was patriotic music on the organ. Saturday evening entertainment was a Video of Carol Burnett Shows shown with popcorn of course. Due to a snafu with the fair board we ended up sharing the fairgrounds with a wild bird swap weekend. That was different and interesting for sure!
